

## Final External Auditor Report and Certificate 2023/24 in respect of Hadley and Leegomery Parish Council - SH0080

### Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2024; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

### External auditor's limited assurance opinion 2023/24

On 19 September 2024, we issued a report detailing the results of our limited assurance review of Sections 1 and 2 of this authority's Annual Governance & Accountability Return for the year ended 31 March 2024. We explained that we were unable to certify completion of the review at that time. We are now in a position to certify completion of the review.

The external auditor report given in Section 3 of the Annual Governance & Accountability Return requires amendments as follows:

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

- 1) The smaller authority has disclosed that it made proper provision during the year 2023/24 for the exercise of public rights, by answering 'Yes' to Section 1, Assertion 4. However, as was reported last year, we are aware that it failed to do this and therefore should have answered 'No' to this Assertion. It has also disclosed that it took appropriate action on all matters raised in reports from internal and external audit, by answering 'Yes' to Section 1, Assertion 7, which, on the basis of the above, is not correct.
- 2) Section 1, Assertions 1 and 2 have been incorrectly completed. Information received from the internal auditor highlights the fact that the fixed asset register has not been updated for several years and there was no evidence of an annual review of the fixed asset register. As a result of this we have been unable to ascertain whether the figure in Section 2, Box 9 is correct for either the current or prior year and there is a risk that there is insufficient insurance cover for all of the assets held. In light of this, these assertions should have been answered 'No'. We understand that the smaller authority is carrying out an exercise to update the fixed asset register during 2024/25 and it should ensure that the recommendations of the internal auditor, in their detailed report, are followed.

Other matters not affecting our opinion which we draw to the attention of the authority:

- 1) We received challenge correspondence in relation to the 2023/24 AGAR which we considered before completing our work. The authority will receive an invoice in relation to this additional work.

**External auditor certificate 2023/24**

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance & Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2024.
